Dear Members,

Donation Drive for Reefsteamers Depot and Workshops

Your organisation, Reefsteamers Association is in desperate need for cash donations towards sixteen new energy saving light bulbs for our main workshop and six new LED spot lights for the main yard area to replace old units that have outlived their life span.

The cost of the 16 x energy saving bulbs are R250-00 per unit and the 6 x LED spot lights R470-00 per unit. This is a total of R6 820-00.

I am appealing to you all to please contribute and assist is to get these replaced before we shut down for this year on the 17th December 2019.

If you can assist, please make a cash payment of your choice into the Reefsteamers bank account using the reference number: Your name and Surname / lights (Example: Shaun Ackerman / lights)

Account details are:
